EDUCATION

Sri Krishna College of Engineering and Technology

Bachelor of Engineering in Computer Science; CGPA: 8.31

Coimbatore, India

Graduation Year: 2027

Bharathi Vidya Bhavan Matric Hr. Sec. School

Class XII ; Percentage: 95.5

Erode, India

Year of Passing: 2023

PROJECTS

AI-Powered Skill Gap Analysis and Career Recommendation System  React, Node.js, MongoDB, Machine Learning

- Developed a full-stack system to analyze user skills and recommend suitable career paths
- Implemented skill gap identification and suggested relevant learning resources
- Integrated machine learning model for basic recommendation logic and analysis

Comprehensive Healthcare Management System  Spring Boot, MySQL Workbench

- Built a system to manage patients, doctors, appointments, and prescriptions
- Implemented CRUD operations and REST APIs for backend services
- Integrated backend for efficient healthcare workflow

Food Management Platform  React, Spring Boot, MySQL

- Developed a platform to manage food donations and reduce wastage
- Implemented real-time tracking and data handling features
- Built frontend interface and backend services for system integration

Dance Instructor Management System React, Spring Boot, MySQL

- Developing a system to manage classes, enrollments, and schedules
- Implemented features for tracking student progress and payments
- Designed APIs and UI for seamless interaction

ACHIEVEMENTS

Finalist at GDGC Hackathon 2025

Successfully completed a 1-month Internship at **Qwat Innovations Private Limited** (June 2025 – July 2025) as a **UI/UX Designer**. Contributed to the design of **Quatrill**, a CRM platform, focusing on desktop website design using Figma and applying user-centered design principles. Recognized for creativity, discipline, and proactive approach.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, C++, Java

Libraries and Frameworks: React, Spring Boot, REST API

Database: MySQL, MongoDB

Developer Tools: Git, GitHub, AWS Cloud, VS Code, Figma, Jupyter Notebook
